General:

- No matter who you are, we all should be able to participate in our democracy. #DontMessWithOurVote
- It's time to stand up and stand together for a democracy for all. #RespectOurVote
- No matter who you are, your vote should count. #DontMessWithOurVote
- Voting is our chance to hold elected leaders accountable. We can't leave it in the hands of elected officials alone. #RespectOurVote
- We cannot leave democracy to elected officials alone, it's time to stand up and stand together for a democracy for ALL! #RespectOurVote
- We should encourage every eligible voter to cast a ballot and make their voices heard. #RespectOurVote
- We want our election system to be free, fair, and accessible to all eligible voters. #DontMessWithOurVote
- Voting's your opportunity to support your community & have a say in America's future. Your votes make a difference. #RespectOurVote

Focusing on the sham commission:

- Members of this sham commission's views are well-known and dangerous to our democracy. #RespectOurVote
- The sham commission has misplaced priorities and no credibility to carry out its mission. #DontMessWithOurVote
- The sham commission is not interested in facts, but rather false accusations in order to implement dangerous election policy. #DontMessWithOurVote

- NEW REPORT: This sham commission has been #FlawedFromTheStart & is not focused on solutions. More at <http://flawedfromthestart.org>

Facebook:

- Democracy works best when everybody can participate. Voting is our chance to hold elected leaders accountable and it's how we improve and protect the lives of our families, our communities, our environment and our nation. No matter who you are, your vote should count. That's why we can't leave our most powerful tool in democracy in the hands of elected officials alone.
- We want our election system to be free, fair, and accessible to all eligible voters. We cannot leave democracy to elected officials alone, it's time to stand up and stand together for a democracy for ALL!
- NEW REPORT: The "election integrity" commission has been #FlawedFromTheStart & is not focused on solutions. More at <http://flawedfromthestart.org>
